

Name: _____ Date: _____
Chemistry

Worksheet

Oxidation Numbers

Draw the Lewis dot symbol for the following:

hydrogen atom	oxygen atom	carbon atom	phosphorus atom	sulfur atom
arsenic atom	calcium atom	lead atom	fluorine atom	krypton atom
titanium atom	nitrogen atom	magnesium atom	helium atom	chromium atom
potassium atom	chlorine atom	selenium atom	francium atom	sodium atom

Directions: Determine the possible charge of the following elements.

_____ H	_____ O	_____ C	_____ P
_____ S	_____ As	_____ Ca	_____ Pb
_____ F	_____ Kr	_____ Ti	_____ N
_____ Mg	_____ He	_____ Cr	_____ K
_____ Cl	_____ Se	_____ Fr	_____ Na

"A good system shortens the road to the goal." - Orison Swett Marden
